Re: South Central Telcom LLC v. BellSouth Telecommunications, Inc., d/b/a AT&T
Kentucky – Petition for Confidentiality received 07-18-08
PSC Reference – Case No. 2006-00448

Dear Mr. Depp:

The Public Service Commission has received the Petition filed July 18, 2008 on behalf of South Central Telcom LLC to protect as confidential certain information in its Exhibit 2 of Max Phipps' pre-filed direct testimony. This information is identified in the Petition as monetary amounts due from BellSouth to South Central Telcom for unpaid switched access charges.

A review of the information has determined that the amount of monies claimed to be owed has previously been mentioned in several other filings of record, of which confidentiality had not been requested, and the publication of monetary amounts does not pose competitive harm. Therefore, the information requested for confidential protection does not meet the criteria for confidentiality and is denied confidential protection.

The information denied confidentiality will be withheld from public inspection for 20 days from the date of this letter. If you disagree with the Commission's decision, you may seek rehearing with the Commission within 20 days of the date of this letter under the provisions of KRS 278.400.

Sincerely,

Stephanie Stumbo
Executive Director
